

Higher Education Policy

1. Marketisation of Higher Education:
 - a. The Union condemns and will actively take a position against any attempt to increase tuition fees.
 - b. The Union condemns and will actively take a position against cuts to government funding for higher education.
 - c. The Union condemns the marketisation of higher education.
2. The Union will oppose the use of, by College, any academic sanctions as a method for enforcing debts related to non-academic services.
