

# We're going green, and you can too!

**From Monday 9 February 2015**, we will be issuing a small charge for our plastic bags in the Union Shop and Shop Extra. **A plastic bag for your purchase will cost only 5p.**

Remember to carry a bag with you, and you can save even more in our shops. In turn, we will use less plastic bags and help the environment.

**We appreciate your continued custom  
and cooperation.**
