

Imperial College Union  
**Deputy President (Clubs & Societies) Report**  
*A Report by the Deputy President (Clubs & Societies)*

**OSC Committee**

There is now at least 1 person interested in every position within the OSC and I am in the process of organising a OSC general meeting to get them elected and this is likely to be next week. I have been spending the majority of my time seeing OSC clubs this month due to the start of term and people are trying to organise events and getting purchase order numbers for Sport Imperial.

**Clubs and Societies Review**

The draft of the first part of the review has been set out to SAC for comment. I now have a small working group which will look at how effective we use our resources and clubs sanctions.

**Tanaka**

As mentioned in previous reports, Tanaka has advised a number of students to start up business related clubs and societies under the Business School. I have been liaising with these groups to try and get them affiliated to the union.

**New Clubs**

There seems to be a lot of people wanting to start up a new club this year. We have received over 15 applications and it will be considered by the New Clubs Committee in the coming weeks.
