

26th November 2007

ACC American Football Budget Enquiry.

Presented by Luke Taylor, ACC Chair.

Email from Club;

We set up our club at the end of last year and therefore, missed out on this academic year's budget. However, at the end of last year we were asked by James Millen to send in a budget template and on the basis of that we were promised £200 for travel money.

Unfortunately, at the beginning of this academic year we found out that we do not have a budget after all. Please advise of the correct course of action to correct this situation.

Kind Regards,

Jan Mier, Chair of American Football Club.

Conclusions:

Club was created and added to the ACC but was not funded in any way by the NCC, consequently the club exists without any source of funding, and the ACC had not budgeted for its existence in the budgeting round in February 2007.

Proposal:

CSB to provide the ACC, and then American Football with the £200 for travel as promised by the NCC meeting last year.
