

Community Action Group appeal to increase Membership Target
Submitted: Radha Gadhok (CAG Chair)

BACKGROUND

- 1) Original membership target for CAG is set to be 20; the reason why this number is set is unclear.
- 2) On CSB meeting on 18th June 2007, the status of CAG is changed from a President Club to a membership fee charging club with funding dramatically cut. To be able to release the union funding for hiring the mini buses that are vital to the continued CAG operations, we need to raise a total of £100 (according to DPCS Ally Cott) from 20 members, or £5.00 each member. As CAG is a student charity that provide no services to students themselves, we, the committee, feel that it is in the interests of the members that the per-person fee is minimised.
- 3) It is on record that CAG has once fulfilled a membership target of 100 people (2004-2005).

ACTION REQUESTS

- 1) We would like to request to increase the membership target to 30, for a fee of £3.00 per member.
- 2) We would like to request to enable the DPCS Ally Cott to increase the membership target further at his discretion, if in the future it becomes feasible for us to reach that target.
