

Imperial College Union

Nomination of a Student Trustee

A note by Stephen Brown

Background

Adele Peel has chosen to resign her position as Student Trustee on the interim board. The Trustee Board will have 4 student lay members who are elected for 2 year terms, with 2 elected each year during the sabbatical elections. This system is designed so that 2 students join and 2 leave the Trustee Board each year to bring continuity.

Union Council has delegated powers to Executive to appoint external Lay Trustees to serve terms of one year over the summer but we do not have the authority to appoint Student Trustees. However, I do suggest that we provide a steer to the next Union Council so that a replacement for Ms. Peel is appointed at the earliest possible opportunity.

Action required

Members of the Executive Committee are invited to nominate a student to fill the role vacated by Ms. Peel. Suggestions should be submitted in writing to the President prior to the next meeting of this committee where a decision on the final nominee will be taken. The nominee shall be recommended to the next Union Council for approval.
