

Halls Committee Funding

A paper by the Deputy President (Education and Welfare)

Introduction

The Second meeting of the Union Halls Committee took place on Thursday 8th May in the Student Activities Centre. In order to encourage turnout for the meeting from Hall Reps the meeting was followed by pizza.

The meeting discussed outcomes from the previous Halls Committee including Laundry Facilities and the agreed discounts for Halls Seniors, Environmental Initiatives, Wireless Internet Access and ICT Issues, Arrivals Weekend Feedback and Security around Bike Racks in Garden and Weeks.

All in all the actions from the previous meeting were well received. Some follow up work was requested and comments were taken on board.

Two new issues were raised with regards to Hall rents at Wye Campus and Noise Disruption from Tizzard Hall. A petition was presented to the staff from residences and responses have been received.

A third meeting of the Halls Committee has not been organised due to the position in the term and exam timetables.

Decision required:

To authorise £56.45 from RWB's budget to cover refreshments provided at the Halls Committee Meeting.
