

**Deputy President (Clubs & Societies) Report**  
*A Report by Alistair Cott*

**New Clubs Committee**

The last meeting set up Knit Soc'k' and Music Technology. The next meeting is on the 18<sup>th</sup> of December and I have one prospective club wanting to come along: Gaelic Football.

**Database Work**

Over the last few weeks I have been spending more and more of my time in the Union's Business Systems Support Co-ordinator's office to get a semi-automated finance system. This involves the club forms but also try to update the finance pages.

**Exploration Committee**

On the 12<sup>th</sup> of December the first Exploration Committee meeting took place where the first round of planning for summer expeditions took place.

**Clubs and Societies Group**

Recently another informal meeting has been planned to look more closely in the world of what's going on with clubs during the week. Those attending the meeting are the DPFS, the Membership Services Manager, and Finance, and myself. What is discussed at the meeting is what clubs need to know and what the Union itself is doing that will affect clubs.

**Channel 4 Quiz Show**

I have been contacted by a production company for Channel 4 asking about use of a room for holding interviews. The interviews are for a 24 hour Quiz show and they are looking for a prospective candidate.

**Preliminary Sports bookings committee**

On the 9<sup>th</sup> of January the Membership Services Manager and I met with Sport Imperial to prepare for the Sports Booking committee that will be held in the summer. It was only to work what prices the facilities would charge and what would be guaranteed for club use.

**Varsity Meeting**

On the 10<sup>th</sup> of January there was a first planning meeting about the Varsity which is coming up on the 27<sup>th</sup> of February.
