

**Ground Hire for Clubs Relocated from the Union Gym**  
*A note by the Deputy President (Clubs and Societies)*

**Background**

While the Union gym is being moved, a number of the sports clubs which used it for their regular training sessions have had to be rehoused for the 2008-09 session in Ethos and Wilson House.

It was agreed with the Union President and Union General Manager last year that the ground hire costs incurred by any such moves would be covered by the Union Building Project.

The costs are below:
