TOUR PURPOSE

The Bottle Match is contested between the Royal School of Mines and the Camborne School of Mines. Each year the two rival Schools take it in turns to host the event, and as such this year CSM are the hosts and it will be held in Penryn. During the Bottle Match we will play; hockey, football, golf, squash and netball matches. However the highlight of the event is the rugby match, in which the two sides compete for 'The Bottle', from which the day takes its name, and where hopefully we will secure a third consecutive victory. Due to the number of the matches, they are spread over two days; Friday 26th February, and Saturday 27th February, followed by a reception and meal in the Saturday evening. Sunday morning we will be leave and head back to London.

The purpose of this, the 108th meeting, is to compete against the CSM, making this the second oldest Rugby varsity in the World. For this weekend we will be taking 124 students from Imperial, (not just members of the RSM), consisting of both players and supporters to enjoy this sporting weekend and continue our friendly rivalry with the CSM. Due to the fact that this year the Bottle Match is in Cornwall we have been arranging both accommodation and transport. Unfortunately both the accommodation and the transport costs are high and we are looking for subsidy from the union to help keep the price of this year's Bottle Match, down to a minimum for both players and supporters.
