

### **New Clubs Committee Report**

#### **A report by the NCC Chair – Anil Chopra**

This year's NCC has seen a large number of applications for new clubs – we have been very pleased with the new innovative ideas of our students whilst at the same time being realistic about the Union's resource allocation for clubs and societies.

We have had two NCC meetings so far; 27<sup>th</sup> October and 24<sup>th</sup> November and have started up a number of clubs and societies:

Club/Soc	Activity	Other Notes
Cooking:	Teaching of cooking sessions, cooking activities, food at events	have been allocated £100.00
Welsh	Celebration of Welsh culture, including trips to Wales, rugby nights, St David's day celebrations e.t.c.	
Vietnamese	Vietnamese cooking, help with prospective Vietnamese students, talks on Vietnam's history, film nights	
Ukrainian	Social networking between intra college and inter-London college Ukrainians, Ukrainian national holiday events, Ukrainian Music nights	
Romanian	Romanian food nights, cultural visits, Romanian themed parties, photo exhibitions	
Robotics.	Enter Eurobot, lecture series, internal competitions, talk about the environmental issues behind robotics	Receive lots of funding from faculties
History	Discussions and debates on history, film nights on history, museum visits, lecture series.	Originally applied as "Modern History" but changed to history.

The NCC and Imperial College Union are doing their best to help these new clubs and societies start up and will be keeping a close eye on their progress.
