

Imperial College Union
Nominations to the Imperial College Union Court
A paper by the President

Background

Under the current regulations for the ICU Court, the membership must include (Reg 2, Part B-7):

- 3. Three Life Members of the Union nominated by the Executive Committee and approved by the Council,*

There is a vacancy for one life member, so I am asking this committee to make a recommendation. This appointment would run from the date it is confirmed by Council until the end of July 2012.

Candidates

Two candidates have come forward for consideration, of which no more than one must be nominated:

Stephen Brown

Stephen graduated from the Maths department at Imperial in 2007 and was ICU President from 2007-2008. He is now on a training programme at Deloitte and has Honorary Life Membership of Imperial College Union.

Alex Grisman

Alex graduated from the Aeronautics department at Imperial in 2009 and was an extremely active part of the academic representation structure, as the Academic Affairs Officer (Taught) of City & Guilds College Union. He holds a Fellowship of Imperial College Union.

Decision Required: To nominate a candidate for the Court Life Member vacancy, or direct the President to find other candidates.
