

Imperial College Union  
**Deputy President (Finance & Services) Report**  
A Note by Daniel Hill

### **Clubs and Societies**

- Budgeting. Wow! It was a long meeting but we got there. Well done to all CSC/FU chairs and treasurers who worked very hard on preparing tight budgets. The meeting lasted 5 hours and as usual got quite heated at times. Hopefully everyone went away feeling happy with the amounts that were awarded. We are currently in Phase 2 of Budgeting where the CSC/FU people are making cuts based on the amounts they were awarded from CSB. Clubs will be informed of final allocations by the 22<sup>nd</sup> March.

### **Commercial Services & Entertainments**

- Easter Carnival line-up has been announced. We have Jameela Jam from T4 providing a DJ set and tickets are only £5. Look on the Union website for more information.
- Battle of the Bands is taking place this Friday, and next. We have 16 bands performing in dB's over the two Friday nights.

### **Phase 3**

- The re-name the bars competition went well. Metric has been chosen as the new name for our nightclub. The main bar will be re-named in the summer term due to the amount of criticism we received regarding the shortlist presented to students.
- We will finally be holding another working group on Thursday to go through designs of the new nightclub Metric. More info on Phase 3 will be presented at the next Council.
- Please visit the Phase 3 blog to keep up to date with the £2.4 million building project.

### **Sabbatical Elections**

- Since being appointed Returning Officer, the ICU elections have taken up the majority of my time. I cannot tell you too much since the elections are still running however we hope to release the results early this week if all goes to plan.
- The returning officers report will be presented to the next council.

### **Summer Ball**

- Progressing slowly however when elections are finished I will concentrate heavily on this. Tickets will be on sale within 2 weeks. Promise! We will also be releasing our headline act.
