TOUR PURPOSE

Brighton is this years Lacrosse annual mixed tour destination, allowing the club to play some quality mixed lacrosse against a highly reputable team. It will be a great opportunity for newer members of the club to watch, learn and play, and we hope this trip will inspire newer players who can develop their new skills, and provide experienced players with fierce opponents. We expect this challenging game to improve the form of the club, as well as help maintain our trophy record (we have won the ULU Cup four years in a row and the ULU league last year). Looking at the tour as a whole, it will be a great opportunity to spend time with the freshers and to increase the status of our club. Our intake this year has been considerable, and we have no doubts that providing all our members with a highly enjoyable and challenging tour will only strengthen the resolve of these players to continue learning and honing their skill, greatly increasing the standard of the men's, women's and mixed teams. It will also be a great opportunity to network with potential sponsors, kit providers and coaches. We expect this tour will build on the successes of previous tours to Bath and Oxford, which have provided us with great experience, and hope this evolves to become a great attraction for freshers in the future.
