Felix Council Report
A report by the Felix Editor Kadhim Shubber

Only four more issues left this year. The news team has thinned out somewhat, so I am a little disappointed with the amount of news that we're able to cover. The rest of the newspaper is seemingly made up of students with little or no regard for their degrees as they're enthusiastically producing one or two pages a week.

Felix Music Night

The next Felix music night will be held on Saturday the 11th of June.

Phoenix

This will be printed on the 10th of June. I'm waiting for the Phoenix editors to finish their exams so that we can get started.

Finances

Continued College and local advertising have been a helpful boost to our finances in the final term.
