

Imperial College Union
Deputy President (Finance & Services) Report
A Note by Ravi Pall

Holiday

- I have been on holiday between 28th May and 8th June. Much of my time before and after those dates has been sorting out various activities that would have normally been done on my time away.

Summer Ball

- The Summer Ball 2011 is going very well. I have been attending daily meetings to catch up with many of the operational proceedings various members of staff have been doing. I have also been in contact and attended meeting while on holiday.

Finance

- I have been reviewing the Financial Procedures document by counter culture, and am glad to say it's a great document that was much needed. A few adjustments still need to be made, however soon this will be in operational effect.

Strategic Review

We had a 3-hour meeting to further our strategic ideas and goals. This was very successful, and the outcomes from the review are very good. The next 5 years at ICU should make us better than ever by a long way.
