Imperial College Union
Boxing Transfer
By Monya Zard, Deputy President (Clubs & Societies)

Background

ACC Boxing were allocated £1405.82 to Ground Hire (710) in budgeting last year. However due to a change in circumstances they would like to transfer it to Instructors (735). There is no provision for this currently in our system, as it is transferring Grant to a category which they were not allocated any income in originally.

The reason for this change is the shift of Boxing's usual Sunday sessions, where they used to hire the All-Stars Boxing Gym, to Sunday sessions that take place within the Union Gym. This is due to the allocation to the Union Gym that took place at the end of last year. By then, Boxing had already submitted their budget and submitted the usual allocation for Ground Hire instead of Instructors as the outcome of the Union facilities allocation was not known yet. As a result, we have brought in instructors from the All-Stars Boxing Gym to the Union Gym to provide the much needed professional coaching that we have promised our members this year.

The total cost of the Instructors over the year will cost approximately £1600, which will exceed the existing grant of £1405.82 entirely. We expect no expenditure for Ground Hire this year.

For Decision

- 1) To allow ACC Boxing to transfer £1405.82 from Ground Hire (710) to Instructors (735).
