23<sup>rd</sup> January 2012

Imperial College Union  
**Shotokan Karate Transfer**  
*By Monya Zard, Deputy President (Clubs & Societies)*

Background

ACC Shotokan Karate were allocated £100.00 to Affiliation Fees (605) in budgeting last year. However due to a change in circumstances they would like to transfer it to Equipment Purchase (685). There is no provision for this currently in our system, as it is transferring Grant to a category which they were not allocated any income in originally.

The reason for this is that formerly Shotokan Karate were paying a bulk affiliation to their governing body, which has been changed this year to an individual affiliation which members are buying themselves. They are also entering BUCS for the first time this year, so the extra equipment has become essential to the society.

For Decision

- 1) To allow ACC Shotokan Karate to transfer £100.00 from Affiliation Fees (605) to Equipment Purchase (685).
