

Imperial College Union
SACing Henry Whittaker
By Monya Zard, Deputy President (Clubs & Societies)

Introduction

It has been the case in previous years that the incoming DPCS doesn't show up to the last CSB of the year. If the DPCS-elect is here now he should be sent out to do important stuff, like photocopying, or scanning.

Decisions Required

To mandate the Deputy President (Clubs & Societies) Elect:

1. To donate to DramSoc the entire East half of the Union building for storage of flycases.
2. To hold all CSB meetings in the Concert Hall on the stage.
3. To use a different prop each month for his voting card in Council.
4. To describe himself as the Deputy President (Flycases & Lighting) in a Council report, and see if anyone notices.
5. To amend the conferences policy so that all lighting must be carried out by DramSoc.
6. To have Freshers' Fair performed solely through musical form, with each club given a three minute musical number to perform.
7. To have the speak for the entire Budgeting meeting in iambic pentameter
8. To change every blown lightbulb in the Union building all year.

Caveat if the above conditions are not met:

1. To be hung from the fly gallery by his ankles wearing only underpants having first risk assessed this activity.
