

**Royal College of Science Union Report to Council**  
*A note by the RCSU President Luke Kanczes*

**Finance**

Overall we've been very stable financially, with the vast majority of our grant allocation spent. A summary of the finances for RCSU can be found below:

<b>Grant</b>	<b>Start of Year (£)</b>	<b>Current Amount (£)</b>
RCSU Exec	5,054.00	68.52
RCSU Biochem	295	195
RCSU Bio	540	0
RCSU Chemistry	660	0
RCSU JMC	90	90
RCSU Math	690	0
RCSU Physics	472.22	0
<b>Total</b>	<b>7,801.22</b>	<b>353.52</b>

**The Science Challenge**

The Science Challenge was hugely successful this year. Many thanks to Paul Beaumont for his hard work as Science Challenge Chair.

**Events**

The RCSU vs. ICSMU quiz was on 28<sup>th</sup> February. As expected the RCSU beat our less intelligent rival faculty. A joint RCSU, CGCU, RSM Boat Party was on 14<sup>th</sup> March. The event was overall very successful apart from an incident involving someone throwing a table off the top deck. This did result in the boat returning to pier 30 minutes earlier than planned.

**Clubs and Societies**

We have held numerous meetings for our societies, keeping track of their progress and answering any queries that have arisen. I've also dealt with a few queries from next years elect committees, particularly regarding sponsorship.

**Elections**

Elections took place at the same time as the sabbatical elections, resulting in record turnout. It is hoped this will happen again next year.

**RCSU Summer Ball**

The RCSU Summer Ball is due to take place on June 26<sup>th</sup>. This is to be held in association with EESoc. The profits from the Ball will be split in the ratio 2:5 which is in the same ratio as the amount of money each has put behind the bar (RCSU £5000, EESoc £2000).

**Colours**

RCSU colours will be distributed later in the term. It is provisionally hoped we can do this at the same time as ICU Colours.

Finally a big thank you to the RCSU committee for all of their help and I wish next years committee the best of luck!
