### **1. Background:**

- 1.1. At the last meeting of the Trustee Board it was agreed to consult clubs on language for a 'budgeting mission statement'
  - 1.1.1. It was felt that this might help to guide policy and discussion in the future towards more focussed, fair and consistent budgeting decisions
- 1.2. We now have discussed this at CSPB and they have voted to accept our proposed language which we now present to board for discussion/decision.

### **2. CSP Budgeting Mission Statement:**

- 2.1. *“Extra curricular activities are a fundamental part of the student experience. We fund our student Clubs, Societies and Projects with the aim of providing and enhancing the opportunity for all of our students to engage in activities of interest to them. Participation is our primary goal and, as such, funding should be used to significantly enhance the experience of the largest number of students possible. Alongside this goal we seek always to; support the mental and physical well-being of our membership, build and develop our student community, assist our members in achieving their potential and provide a platform for students to express themselves. We hope that this will allow all students to both enjoy and get the most out of their time here.”*

### **3. Resolve**

- 3.1. To accept the proposed mission statement as the guiding motive for the CSP Budgeting Process
