1. Background:

- 1.1. At last year's Union Council it was decided to canvas opinion on Higher Education funding in order to form a new Union Policy
- 1.2. At the first council of this year we opted to amend that mandate to allow a survey
 - 1.2.1. The minutes of this meeting will be discussed at this council and the paper in question can be found here: https://www.imperialcollegeunion.org/your-union/how-were-run/committees/14-15/Union_Council/file/2606

2. Current Situation:

- 2.1. This set out a timeline for when the survey should be conducted and various other milestones
 - 2.1.1. At this council should be the finalised survey.
 - 2.1.2. At time of writing there is still some editing to be completed
 - 2.1.3. However, I seek feedback on the current survey in order to table the final version at the council meeting
- 2.2. The current test survey can be found here: https://imperial.eu.qualtrics.com/SE/?SID=SV_2rvoXdDlew658yN
 - 2.2.1. Please give any feedback on it that you can
 - 2.2.2. Some key features are:
 - 2.2.2.a. Content requires a login, allowing us to use information such as respondent's fee status
 - 2.2.2.b. Three core issues are probed and then ranked in order of importance before asking about the currently proposed funding models
 - 2.2.2.c. There are a number of free text boxes allowing more information to be given than just the multiple choice questions
