

Council Report

Pascal Loose – Deputy President Education

Rep Training

The Representation and Welfare Manager, Representation and Campaigns Coordinator, Student Development Manager, Student Development Coordinator, Deputy President Welfare and myself delivered one UG and one PG Rep training. The training was a success and well received among the newly elected reps. Prof Humphris, Prof Gibson and the GSU President gave short introduction speeches to emphasise the importance of the Rep network.

Rep Week

The Representation and Welfare Manager, Representation and Campaigns Coordinator, and I are finalising the plans for Rep Week, a week on campus where we promote the Academic Representation Network and collecting feedback from the students. This feedback will then be sent back to the reps to follow up for their respective SSCs.

Starfish

Starfish is the College's tutor management programme and the Officer Trustee team were first introduced to it back in August. In the meantime the College have designed and developed it further and I got it shown again on 5 November. It looks very promising and I will be involved in designing the training for the academic staff.

SocOff

SocOff is taking place on 6 November. Entry fee is £1, Dep Soc with most participants will get 50% of the entry income, Dep Soc with the second most participants will get 25%, Dep Soc with biggest improvement compared to last year in terms of percentage will get the remaining 25%. Sumo suits will be in Metric from 20:00 to 22:00 in Metric.
