

## **Deputy President (Finance & Services) Council Report**

### **A Report by Alex Savell**

#### **1. Note**

- 1.1. Due to college closure there has been relatively little time since last term and with students away for much of this period work has mostly been dealing with administrative backlog

#### **2. Leave:**

- 2.1. By the time of Council I will have taken one additional day of leave

#### **3. Higher Education Funding Campaign**

- 3.1. Since the approval of the higher education funding policy we have begun work as a team to identify key stakeholders to lobby
- 3.2. We are using the SMART objectives scheme to make our campaign objectives into achievable targets with realistic timeframes and will be deploying resources during this term and next term
- 3.3. I aim to place this on the campaigns page of [imperialcollegeunion.org](http://imperialcollegeunion.org) along with information on how any and all interested students can get involved

#### **4. Budgeting**

- 4.1. We have been laying out our timeframe for budgeting and making some changes to last year to attempt to speed up the process
  - 4.1.1. This includes several new fields in the online budgeting
  - 4.1.2. We have also added budget training sessions for all club chairs and treasurers and met with most MG/CU chairs and treasurers
