

Imperial College Union Appointments and Remuneration Committee

12 Feb 2019

AGENDA ITEM NO.	Item 9
TITLE	Staff Survey
AUTHOR	Jarlath O'Hara
EXECUTIVE SUMMARY	<p>The College-facilitated Staff Survey is live from 25 Feb to 15 March. As previously committed, the Union will put significant emphasis on staff participation followed by development of appropriate action plans.</p> <p>Union communications will follow the College messaging and we are targeting full (100%) participation. We understand that high participation is more difficult for non-office-based staff and will therefore provide suitable facility and time for those staff to participate.</p>
PURPOSE	To provide assurance to committee that the Staff Survey will be prioritised in terms of achieving full participation as well as clear commitment to developing appropriate action plans in line with College timelines and procedures.
DECISION/ACTION REQUIRED	This paper is an Exec-Summary only, primarily for information and confirmation of commitment. Discussion and input on the execution of this commitment is welcome.
