

## **Changes to the ICSMSU Constitution**

Proposer: Alistair Ludley, ICSMSU Deputy President

Seconder: Ben Russell, ICSMSU President; Zoha Imam, ICSMSU Secretary and Communications Officer

### **Union Notes**

1. That at Meeting on 18<sup>th</sup> January 2020, ICSMSU approved changes to ICSMSU's constitution, detailed in Appendix A
2. That the changes involve the reintroduction of a role removed two years previously, since the jobs were not able to be covered effectively by other roles
3. That the changes also involve minor edits to the name of four roles, to reflect the new BSc in Medical Biosciences (BMB) course and new MBBS curriculum terminology

### **Union Believes**

1. That the proposed changes to ICSMSU's structure are to the advantage of the Union, ICSMSU and the student body in the Faculty of Medicine as they will improve the efficiency of ICSMSU's operation

### **Union Resolves**

1. To ratify the changes to the ICSMSU constitution as outlined in Appendix A

## Appendix A

In summary:

- Four roles to have names edited
- 'Sites and Services Officer' to be re-added to the constitution, and the relevant responsibilities in Regulations 1 to be moved from other officers to fall back under Sites and Services. Role description for the added position will be confirmed and ratified at an ICSMSU Meeting at a later date (these are contained within ICSMSU's Regulations 1, which do not require ratification from ICU Council).
