

Motion to Revise and Re-approve the Publicity Policy

Proposer: Lloyd James (Council Chair)

Seconder: Abhijay Sood (Union President)

Union Notes:

1. The Publicity Policy outlines rules and procedures around publicity material produced as part of any Union activity, whether paper, electronic, or otherwise.
2. The Publicity Policy is referred to as a key part of Election rules.
3. Two working groups met to discuss this Policy. There was a meeting in April which discussed this Policy in isolation, and a further meeting in July which discussed this Policy in the context of its role in Elections rules.
4. A revised version of this Policy is submitted (Appendix A) which was prepared by the Council Chair based on feedback from these two meetings. Also included as Appendix B are some notes on the discussion from the latter meeting.
5. Further work is being done by Head of Membership Services Tom Newman around this, including the revision of election rules in light of feedback from the WG, and development of the 'Code of Conduct' referred to in the new Policy, to be brought to Council at the first meeting of the next academic year.

Union Believes:

1. That the recommendations of the working group should be adopted.

Union Resolves:

1. To accept the revised Publicity Policy as per Appendix A.
2. To action the incoming DPCS to investigate whether the list of valid locations for posters in Section D is both correct and complete.
