

Union Awards 2021

Proposer: Alex Auyang (Council Chair)

Seconder: Abhijay Sood (Union President)

Union notes:

1. 137 individuals were nominated for General Awards during the nomination window (12th of April to the 14th of May 2021). Only these nominations, capped at 250 words each, were considered.
2. The Awards Committee met on May 24th. Committee members were chosen based on diversity of experience, and availability. The panel consisted of: The Officer Trustees, the Council Chair, the RCSU Vice-President (Education), the GSU President, the Arts and Ents MG Chair, the Working Class Officer, and the ICSMSU President.
3. Members of the Committee were not present for the discussion of their own nominations.
4. The Committee considered each nominee individually and compared their nominations against the three criteria of depth, breadth, and time (duration of involvement). Where the Award for which an individual was nominated was not judged appropriate, a different tier of award may have been recommended instead.

Union Believes:

That the recommendations of the Awards Committee are acceptable.
