Board of Trustees / 13<sup>th</sup> July 2021**

Author(s): India Marsden – Deputy President (Clubs & Societies)  
Sam Lee – Deputy President (Finance & Services)

Purpose: To approve the CSP grant allocations for AY 2022-23

Decision(s): To approve

### 1. Introduction

The below data was taken to Finance, Audit and Risk on Wednesday 22<sup>nd</sup> June to allow scrutiny of the process to ensure it was run in a fair way in line with the Education Act. FAR also approved these values as provisional and CSPs have been notified of their provisional allocations to allow them to prepare for next year, but have been made aware these values need to be ratified by the Board.

### 2. Decision

We ask Board to approve the total of £425,000 to be allocated to ICU Clubs, Societies and Projects in line with the below table for the AY 2022-23. This is the same value we used last year for this year's budget and has not increased.
